Descriptive Report

The one-day event aimed to build foundational research skills among participants. It began with administrative formalities under the guidance of Mr. Kuldeep Prajapati following an inaugural session including lamp lighting, and welcoming dignitaries. Distinguished authorities including **Prof. Sanjay Gupta** introduced the event and the session expert **Prof. Bharat Joshi** and **Dr. Nilesh Pandya**, delivered welcome addresses emphasizing the importance of research in academic growth. **Dr. Minalba Jadeja** offered the vote of thanks at the end of the inaugural session.

The first expert session was solely focused on the objectives of research, in which **Prof. Bharat Joshi** conducted an engaging and interactive session. Participants actively discussed the formulation of research objectives and the structuring of research questions.

The second session, conducted by **Prof. Satishprakash Shukla**, delved into essential aspects of research methodology, emphasizing the need for systematic planning and critical analysis in academic inquiry. Prof. Shukla led a problem-solving discussion, fostering collaborative thinking. The valedictory session included feedback from participants and certificate distribution. A concluding address about the event and the key features of Research University was delivered by **Hon. Vice Chancellor sir Dr. T.S. Joshi**, and at the end of the event a vote of thanks was given by **Dr. Disha Nayak**. Lastly group photo and certificates were distributed to all participants, marking the successful completion of the workshop.
