About the Seminar

To inspire students and teachers through the stories of premier scientists. There will be an opportunity to interact with renowned faculty members who will share their research and science journeys with the participants.

Distinguished Speakers & Public Talk dates

Prof. Ravi Banavar (IIT Bombay) - 28 Jan 2026 (Aerospace & Robotics) (Time : 3 pm to 4.30 pm)

Prof. Prakhar Gupta (IIT Hyderabad) - March 2026 (Mechanical)

Prof. Surhud More (IUCAA Pune) - March 2026 (Astrophysics) (Date & Time to be announced)

Can we control that drone?

Do you think we'll go to space someday??

These are all great questions! Let's discuss each one.

How does DNA work?
