

About Vidyaniketan

Children's University offers Vidyaniketan as one of its department under School of Child, Youth and Family Development. Vidyaniketan does outreach to these groups, offering Yoga, Sanskrit, English, Nabhodarshan, Vedic Math courses and moral values dependent various activities which helps in holistic development of child. Vidyaniketan works for the type of education which is based on Bharatiya culture and this knowledge is very important for today's 21st-century generation. This surely helps the child to build up more self-confidence and moral qualities. Moreover, the values towards mother tongue and motherland are also built up in the child. The love for nature is also fabricated in the heart of the child. All this work of high values for the holistic development of a child is done by the Department of Vidyaniketan.

According to the act of Children's University, the Department of Vidyaniketan works to give affiliation to different schools as 'Vidyaniketan'. The affiliation is given based on the rules and regulations of the act of the university and thus this works for the upliftment and development of the affiliated Vidyaniketan which is the main motto of Children's University. There are infinite aptitudes that are in the inner self of the child. A child is a joyful creature of God, a child is a part of God and so the work to bring out that joyousness of child is done by Vidyaniketan. The work of bringing out the inner aptitude of the child is done by Vidyaniketan. Furthermore, in the year 2021 Department of Vidyaniketan organized an online summer camp 'Kalamrutam' and won the Golden Book of World Record for the maximum number of participants.
