Every Child Matters

About Children's University

Children's University is the dream project of Hon. Prime Minister Shree Narendra Modi for the holistic development of every child. This University came into existence by Children's University Act, 2009 at Gandhinagar, Gujarat. It is the only University of its kind around the world. Shree Harshadbhai P. Shah shouldered the leadership as the first Vice Chancellor of the University in January 2012. Present also, he is rendering his services as a Vice Chancellor again.

Focus of the university is expressed by the slogan 'Every Child Matters' and upbringing of our children should be done in such a way that avails the development of physical, mental, intellectual, emotional and spiritual facets which ultimately lead them to self-realization.

The scope of this university begins with "Garbh Samskar" to the incarnation of the best progeny and hatches the dream of preparing a holistic human being for the society. University also comprises not only cultivating & developing of child but also of Parents. It also helps developing teachers, counselors, sports persons etc to take care of holistic and continuous development.

To realize this dream, this university encompasses four core dimensions including Education, Research, Training and Extension in true sense. The functions of the university are distributed in very wide spectrum of disciplines which — includes Education, Toy Innovation, Psychology, Languages, Social work, Technology, Food and Nutrition, Yoga and Music etc.
