**Sub: Requesting permission for internship at your institution**

Dear Sir/Madam,

We are glad to inform you that we are the only institute in the state working in and for the holistic development of children through various activities and offering different courses focusing on the same at the Children's University.

At Children's University, we offer a one year PG Diploma course named *PG Diploma in Nutrition & Dietetics*. In this course the students need to gain the real field experience by participating in an internship program. This internship is to be conducted at reputed hospitals like yours, at where the students can learn the basics and important skills required to be a professional in the concern field.

We request you to permit the student(s) enlisted in the enclosure for an internship at your institution for the duration of 45 days from \_\_\_\_\_ to \_\_\_\_\_.

Some importance points regarding the internship are given with this letter. Kindly go through them.

We highly appreciate your contribution in nurturing our students.

Thanks and regards,

Ms. Krishna Thakkar  
HOD, Dept. of Home Science  
Children's University, Gandhinagar

- Enclosure: 1. Instructions for the internship program  
2. The list of participating students (interns) in internship at your institution

Sevanti P. Jeejee  
Pooja M. Pranjapati

### 1. General Instructions for the Internship Program

- The internship program will be for the duration of 45 days.
- The students need to be present regularly and as per schedule given by the host institution.
- The host institution is requested to keep a record of attendance of the interns.
- During the internship the interns will participate in various activities of the institution and learn the overall functioning and good practices of the institution.
- The interns are supposed to develop a sheer understanding about the role and contribution of the institution in the area of nutritional care.
- The host institution is also requested to provide the holistic exposure and opportunity to the interns to take part in various tasks related to the concern field.
- The host institution is requested to provide an appropriate score to the interns out of 50 marks based on the points like their regularity, zeal for learning, participation in various tasks assigned to them, and the level of skills acquired during the internship.
- The scores of the interns are to be submitted by the institution (hospital) to the university in a sealed cover.

### 2. List of the Interns

Sr. No.	Student's Roll No.	Name of the Student
