

5.4.1 The Allumni Association / Chapters contributes significantly to the development of the institution through financial and other support services during last five years : Children's University, Gandhinagar hasn't formal Alumni Association, as CU is not conventional university but our alumni remains always connected with us. Our alumni went on to expand their wings and reached new heights, be it as entrepreneurs, academicians, researchers, social cause champions, bureaucrats etc. Though their dreams took them in new directions, CU alumni have always felt connected to their alma mater and hence, they have over the years nurtured the institute through their generous contributions. The spirit of Giving Back is reflected in every corner of the institute be it expert lectures in the field of food and nutrition, women health and hygiene, environment, administrative work too.
