NAAC Awareness Training Programme
Organized by IQAC, Children's University

Date: 13/10/2022 (Thursday)

Time: 10:00 AM onwards

Introduction:

The IQAC (Internal Quality Assurance Cell) of Children's University organized a training programme on NAAC (National Assessment and Accreditation Council) awareness. The primary objective of the programme was to familiarize the participants with the various aspects of NAAC accreditation and create awareness about its importance in higher education institutions. The training programme took place on 13th October 2022, starting from 10:00 AM at the university premises.

Inauguration:

The training programme was inaugurated by the Hon'ble Vice Chancellor of Children's University, Dr. Harshadbhai Patel, at 10:00 AM. His presence added significance and motivation to the event. Dr. Jignesh Patel, Head, IQAC welcomed Vice Chancellor of Children's University, Dr. Harshadbhai Patel with Book and welcome all the participants.

Session Details and Speakers:

The training programme consisted of sessions on different aspects of NAAC, delivered by distinguished speakers who specialize in their respective domains. The following is a list of sessions and speakers:

1. Curricular Aspects - Prof. B. D. Dhila

Prof. B. D. Dhila conducted a session focusing on curricular aspects, emphasizing the importance of a well-designed curriculum in achieving NAAC accreditation standards. He discussed the need for curriculum alignment with the institution's vision and objectives.

2. Teaching-learning & Evaluation - Dr. Minalba Jadeja

Dr. Minalba Jadeja delivered a session on teaching-learning and evaluation methods. She highlighted the significance of learner-centric approaches, innovative teaching methodologies, and fair evaluation practices for enhancing the overall quality of education.

3. Research, Innovations & Extension - Prof. Sanjay Gupta

Prof. Sanjay Gupta shared insights into research, innovations, and extension activities that contribute

to NAAC accreditation. He discussed the importance of promoting research culture, encouraging innovation, and extending institutional expertise to society.

4. Infrastructure & Learning Resources - Shri Denisha Agravat

Shri Denisha Agravat presented on the significance of infrastructure and learning resources in meeting NAAC standards. The session focused on creating an environment conducive to learning, providing necessary facilities, and ensuring the availability of adequate learning resources.

5. Student Support & Progression - Dr. Prashant Patel

Dr. Prashant Patel addressed the topic of student support and progression. He discussed the need for academic and non-academic support systems, counseling services, and career guidance to foster student development and progression.

6. Governance, Leadership & Management - Dr. Narendra Vasava

Dr. Narendra Vasava conducted a session on governance, leadership, and management aspects. The session emphasized the importance of effective governance structures, visionary leadership, and efficient management practices in achieving NAAC accreditation.

7. Institutional Values & Best Practices - Dr. Nilesh Pandya

Dr. Nilesh Pandya focused on institutional values and best practices. He highlighted the significance of promoting ethical values, inclusive practices, and institutional initiatives aligned with societal needs.

Participant Engagement:

The training programme encouraged active participation and interaction from the attendees. The participants had the opportunity to ask questions and engage in discussions with the speakers, promoting a better understanding of NAAC accreditation and its implementation.

Conclusion:

The NAAC Awareness Training Programme organized by IQAC, Children's University, proved to be highly informative and beneficial for the participants. The sessions conducted by esteemed speakers provided comprehensive insights into various aspects of NAAC accreditation. The training programme successfully achieved its objective of creating awareness and emphasizing the importance of NAAC accreditation in higher education institutions.

The participants gained a deeper understanding of the NAAC assessment process, quality parameters, and best practices to be followed.

Programme on Quality Improvement in Education

Organized by IQAC, Children's University

Date: 17/10/2022 (Monday)

Time: 2:00 PM to 3:30 PM

Introduction:

The IQAC (Internal Quality Assurance Cell) of Children's University organized a programme on "Quality Improvement in Education" with the aim of promoting excellence and enhancing the quality of education in higher education institutions. The programme took place on 17th October 2022, from 2:00 PM to 3:30 PM.

Opening Ceremony:

The programme commenced with the lighting of the lamp by the Hon'ble Vice Chancellor, Dr. Harshadbhai Patel, which symbolized the inauguration of the event. This gesture added traditional significance to the proceedings. This was followed by a prayer led by Mr. Hardik Bhatt, invoking a spiritual atmosphere.

Welcoming and Introduction:

Dr. Jignesh B. Patel, the Head of IQAC, welcomed all the participants and guests to the programme. He extended his gratitude for their presence and emphasized the importance of quality improvement in education. He also introduced the theme of the programme, highlighting its significance in the current educational landscape.

Introduction of Chief Guest:

Shree Deep Koiralji, the Chief Guest of the event, was introduced to the audience. His notable accomplishments and expertise in the field of education were highlighted, creating an atmosphere of anticipation for his expert insights.

Expert Session:

The programme featured an expert session conducted by Shree Mukul Kanitkarji, who shared his valuable knowledge and experience in the field of quality improvement in education. Shree Mukul Kanitkarji's expertise added great value to the programme, providing participants with insights and practical strategies for enhancing the quality of education.

Shree Mukul Kanitkarji, an expert in the field of education, delivered an enlightening session on "Quality in Higher Education" with specific reference to the Indian education system. His session provided valuable insights into the challenges and opportunities related to enhancing the quality of education at the higher education level in India.

During his talk, Shree Mukul Kanitkarji emphasized the importance of aligning education with the

changing needs of society and the industry. He stressed the need for a learner-centric approach, where the focus is on developing critical thinking, problem-solving skills, and practical application of knowledge. He discussed the significance of adopting innovative teaching methodologies, promoting research and development, and fostering a culture of continuous learning.

Shree Mukul Kanitkarji also shed light on the role of technology in education and how it can be leveraged to improve the quality of higher education. He emphasized the importance of integrating technology into teaching and learning processes, thereby enhancing accessibility, collaboration, and engagement among students.

Furthermore, he addressed the issue of skill development and employability of graduates. He highlighted the need for universities to collaborate with industries and provide practical exposure and internships to students, ensuring that they are equipped with the necessary skills and knowledge for the job market.

In conclusion, Shree Mukul Kanitkarji's expert session on quality in higher education provided valuable insights into the Indian education system. His emphasis on learner-centric approaches, innovative teaching methodologies, integration of technology, and collaboration with industries resonated with the need for holistic development and employability of graduates. The session served as a catalyst for participants to reflect on their practices and explore avenues for improving the quality of higher education in India.

Vote of Thanks:

Dr. Bhairavi Dixit, on behalf of the IQAC and Children's University, delivered a vote of thanks to all the participants, guests, and the expert speaker. She expressed gratitude for their valuable contributions, presence, and active engagement in the programme. Dr. Dixit also acknowledged the efforts of the organizing committee and the support received from various stakeholders.

Conclusion:

The programme on Quality Improvement in Education organized by the IQAC of Children's University proved to be a significant initiative in fostering excellence in higher education. The presence of esteemed speakers, including the Chief Guest Shree Deep Koiralji and expert speaker Shree Mukul Kanitkarji, added immense value to the event.

The programme successfully highlighted the importance of quality improvement in education and provided participants with practical insights and strategies to enhance the quality of teaching and learning. The interactive session fostered meaningful discussions and exchange of ideas among the participants.

The IQAC's efforts in organizing such a programme demonstrate their commitment to continuous quality enhancement in education. It is expected that the knowledge gained and strategies shared

during the programme will be implemented in educational institutions, leading to improved educational outcomes and overall development.

The programme concluded on a positive note, leaving the participants inspired and motivated to contribute towards the quality improvement in education.

Guest Lecture on Shodhchakra and Plagiarism

Organized by IQAC, Children's University

Date: 6th April 2023

Time: 11:00 AM

Venue: Conference Hall, Children's University, Gandhinagar, Gujarat

Introduction:

The IQAC (Internal Quality Assurance Cell) of Children's University organized a guest lecture on "Shodhchakra and Plagiarism" to promote research ethics and integrity among the faculty and students. The guest lecture took place on 6th April 2023, at 11:00 AM in the Conference Hall of Children's University.

Guest Speaker:

The guest speaker for the event was Mr. Abhishek Kumar, Scientist E at the Information and Library Network Centre (INFLIBNET), Gandhinagar. Mr. Kumar is an expert in the field of research and has extensive knowledge and experience in addressing issues related to plagiarism and research ethics.

Guest Lecture on Shodhchakra and Plagiarism:

Mr. Abhishek Kumar delivered an informative and engaging lecture on the concept of "Shodhchakra" and the importance of avoiding plagiarism in research. He emphasized the significance of conducting original research, maintaining integrity, and adhering to ethical guidelines in the pursuit of knowledge.

During the lecture, Mr. Kumar explained the concept of "Shodhchakra," which refers to the research process encompassing the identification of a research problem, literature review, data collection and analysis, interpretation of findings, and dissemination of research outcomes. He highlighted the systematic and ethical approach required at each stage to ensure the credibility and quality of research.

Furthermore, Mr. Kumar discussed the detrimental effects of plagiarism on academic integrity and the reputation of educational institutions. He provided insights into various forms of plagiarism and shared strategies to prevent plagiarism through proper citation and referencing practices. He also emphasized the importance of using plagiarism detection tools to ensure the originality of research work.

Memorandum of Understanding (MoU) with INFLIBNET Center:

In conjunction with the guest lecture, a Memorandum of Understanding (MoU) was signed between

Children's University and the Information and Library Network Centre (INFLIBNET). The MoU aimed to establish a partnership between the two institutions for the implementation of the "Shodhchakra" research framework and to collaborate on promoting research integrity and preventing plagiarism.

The MoU signing ceremony was conducted between Mr. Amit Jani, Registrar of Children's University, and Mr. Abhishek Kumar, representing INFLIBNET Center. This collaboration would provide Children's University with access to resources and expertise to further enhance research quality and integrity.

Conclusion:

The guest lecture on "Shodhchakra and Plagiarism" organized by the IQAC of Children's University was a significant initiative in promoting research ethics and integrity. The session conducted by Mr. Abhishek Kumar provided valuable insights into the research process and the importance of avoiding plagiarism.

The lecture served as a reminder to the faculty and students about the ethical responsibilities associated with research and the significance of maintaining academic integrity. The signing of the MoU with INFLIBNET Center further reinforced the commitment of Children's University to promoting research excellence and preventing plagiarism.

Overall, the event was successful in creating awareness and encouraging a culture of originality and integrity in research within the university community. It is expected that the knowledge gained from the guest lecture and the collaboration with INFLIBNET will contribute to the enhancement of research quality and the development of a research-focused environment at Children's University.
