

Shishu Paramarshan Data

Year-2017 to 2023

The function of Shishu Paramarshan Department extends from the birth to three years of the child till the child is admitted to receive formal education in school. In the Indian view, the process of Toddler education should be informal. According to Indian psychology, the child's development and Education from birth to the age of 6 years is based on samskar Prakriya and Chitta. In this state, the child's learning process is informal, joyful, experiential, and sensory-centered. The process of child development and Education is holistic, in which child counselling is only an important part, apart from that, considering all aspects like Toddler's diet, Vihar, clothing, learning, Developmental activities, habits, age-appropriate toys, etc. is the purview of this department.
